Rates may differ for smaller mortgage amounts. Interest rates effective as of February 13, 2008. Rates are subject to change without notice. Interest is calculated semi-annually, not in advance. For the purpose of this illustration, the interest rate and annual percentage rate (APR) are the same assuming no cost of borrowing charges other than interest apply. All mortgage products are offered by Royal Bank of Canada and are subject to its lending criteria.<sup>1</sup> This is the list price supplied by the builder or realtor shown above. Sample calculations are based on the assumption that the property is purchased for the full list price and will differ depending upon actual purchase price.<sup>2</sup> You must have 1.5% of the purchase price for the deposit when you purchase the home. Some limitations, restrictions, terms and conditions apply.
